

Exploring your soul path – a nine months journey

You want to exploit more of your potential and bring this more into your day-to-day life? You would like to live from your heart's desire and dissolve blockages that may be obstacles on the way? You would like orientation in today's volatile world?

Come with us on a nine months explorative development journey, leading to an understanding and embodying of your soul's archetypal elements and its connection to levels of human development, focusing on abilities and impact when walking through day-to-day life, in business and in personal life.

In **module one – onboarding**

- Basics and framework for evolutionary development.
- Setting intentions for the whole nine months journey.

In **modules two and three – our archetypal soul aspects:**

- Exploration of the seven aspects of the soul matrix.
- Experientially and experimentally, with constellations and other methods.

In **modules four and five – the human development levels:**

- Introduction and practical exploration of the integral framework (the four quadrants and the eight levels of human development).
- Embodying capabilities and learning to contain multiple perspectives.
- Application in personal and professional everyday practice.

In **modules six to eight – the tension within both, archetypal soul aspects and human development levels:**

- Integration of archetypal soul aspects and spiral dynamics stages of development
- Raising awareness of personal path through life: a map and compass
- Creating impact in the world
- More practice

In **module nine – completions and new beginnings**

- Completing the journey and transition into new beginnings
